Re: *United States v. Keano Sahusilawani*, 25 Cr. 67 (LJL)

Honorable Judge Liman:

With the consent of the Government, I write to request an adjournment of Mr. Sahusilawani's sentencing hearing and accompanying deadlines to the week of October 20. As the Court is aware, I recently returned from parental leave and have taken over Mr. Sahusilawani's case. To effectively prepare for sentencing, I need additional time to visit with Mr. Sahusilawani and review his records and discovery. Moreover, our office has retained a psychiatrist to evaluate Mr. Sahusilawani. While she has begun the process, she has determined that Mr. Sahusilawani should undergo neurological testing to aid in her evaluation. To provide adequate time for the expert to complete neurological testing and evaluation, and draft her report, I respectfully request an adjournment of approximately 60 days. As mentioned above, the Government consents to this request and both parties are available for a sentencing hearing the week of October 20.¹

Thank you for considering this request.

Respectfully submitted,

Zawadi S. Baharanyi, Esq.
